PERMIT TO DISCHARGE INTO THE STATE HIGHWAYS DRAINAGE SYSTEM

Application Date _____, 20____

Pursuant to Hawaii Administrative Rules, Chapter 11-55, application is hereby made to discharge into the State Highway drainage system at the location(s) specified below and at no other place.

1. Name of Highway/Route No.: _____
2. Tax Map Key: _____
3. Location: _____

4. Type of Discharge (check one):

<input type="checkbox"/> Storm water associated with industrial activities	<input type="checkbox"/> Construction activity dewatering
<input type="checkbox"/> Storm water associated with construction activities	<input type="checkbox"/> Hydrotesting
<input type="checkbox"/> Others (Describe): _____ _____ _____	

Licensee*, the undersigned, hereby agree to the following:

1. That Licensee shall indemnify and hold the State free and harmless from all suits and actions resulting from the licensee's discharge operations.
2. That Licensee shall provide appropriate best management practices and/or treatment devices for the removal of soil particles, and/or other pollutant(s) in the discharge, and such discharge shall meet the basic water quality criteria applicable to all waters, as identified in Section 11-54-04, and any other applicable sections in Chapter 11-54, Hawaii Administrative Rules, at the point of discharge into State waters.
3. That Licensee shall obtain a National Pollutant Discharge Elimination System (NPDES) permit/permit coverage as required by the State Department of Health and submit a copy to the State Department of Transportation Highways Division.
4. That a copy of any effluent monitoring required by the NPDES permit shall be furnished to the State Department of Transportation Highways Division.
5. That Licensee shall make all restorations to any State Highway property damaged during the Licensee's discharge operations in accordance with the State Department of Transportation Highways Division requirements.
6. That Licensee shall discontinue the discharge should the State Department of Health determine that the receiving waters are being polluted, or the discharge does not meet the effluent requirements of the NPDES permit, or the Licensee's operations are not in the best interest of the general public. In addition, the Licensee shall be liable for any and all penalties as a result of discharges from the Licensee's system.
7. That if the State Department of Transportation Highways Division determines that any materials or substances from the Licensee's discharge operations have settled into any storm sewer, Licensee shall immediately remove and clear any material and substance to the satisfaction of the State Department of Transportation Highways Division.
