APPLICATION FOR A PRIVATE STORM DRAIN CONNECTION AND/OR DISCHARGE PERMIT TO THE STATE OF HAWAII HIGHWAYS DIVISION STORM DRAIN SYSTEM

Application Date _____, 20_____

Pursuant to Hawaii Revised Statutes, Chapter 264, as amended, applicant hereby requests a permit for a private storm drain connection(s) and/or discharge(s) to the State of Hawaii Highways Division Storm Drainage System. The pertinent information on the storm drain system located on this property is as follows:

1.	Name of Highway/Route No.:	
2.	Tax Map Key:	
3.	Location:	
4.	Check type of permit being applied for: [] Connection	[] Discharge

1. Brief description of connection(s) and/or discharge serving this property. (For each connection, provide size, type of discharge, flow rate and Drainage Report.)

2. Does your property/facility generate storm water associated with "industrial activity"? If so, submit analysis of a storm water sample performed by a laboratory acceptable to the State within one (1) year after the date of the connection.

3. Does your property/facility associated with the drain connection require National Pollutant Discharge Elimination System (NPDES) permit/permit coverage? If so, attach a copy of the NPDES permit/permit coverage.

4. If your property/facility requires an NPDES permit coverage, install permanent best management practices (BMPs) and provide written documents for future maintenance of the permanent BMPs. If permanent BMPs are not included, submit specific documentation demonstrating that they are not practical.

			Appl	icati	on Date, 20	
		nt to Hawaii Administrative Rules, Chapter 11-55, applicat at the location(s) specified below and at no other place.	ion is he	reby	made to discharge into the State Highway drains	ıge
1.		Name of Highway/Route No.:				
2.		Tax Map Key:				
3.		Location:				
4.		Type of Discharge (check one):				
[]	Storm water associated with industrial activities	[]	Construction activity dewatering	
[]	Storm water associated with construction activities	[]	Hydrotesting	
[]	Others (Describe):				

Licensee*, the undersigned, hereby agree to the following:

- 1. That Licensee shall indemnify and hold the State free and harmless from all suits and actions resulting from the licensee's discharge operations.
- 2. That Licensee shall provide appropriate best management practices and/or treatment devices for the removal of soil particles, and/or other pollutant(s) in the discharge, and such discharge shall meet the basic water quality criteria applicable to all waters, as identified in Section 11-54-04, and any other applicable sections in Chapter 11-54, Hawaii Administrative Rules, at the point of discharge into State waters.
- 3. That Licensee shall obtain a National Pollutant Discharge Elimination System (NPDES) permit/permit coverage as required by the State Department of Health and submit a copy to the State Department of Transportation Highways Division.
- 4. That a copy of any effluent monitoring required by the NPDES permit shall be furnished to the State Department of Transportation Highways Division.
- 5. That Licensee shall make all restorations to any State Highway property damaged during the Licensee's discharge operations in accordance with the State Department of Transportation Highways Division requirements.
- 6. That Licensee shall discontinue the discharge should the State Department of Health determine that the receiving waters are being polluted, or the discharge does not meet the effluent requirements of the NPDES permit, or the Licensee's operations are not in the best interest of the general public. In addition, the Licensee shall be liable for any and all penalties as a result of discharges from the Licensee's system.
- 7. That if the State Department of Transportation Highways Division determines that any materials or substances from the Licensee's discharge operations have settled into any storm sewer, Licensee shall immediately remove and clear any material and substance to the satisfaction of the State Department of Transportation Highways Division.

- 8. That Licensee shall inspect and clean the State Highway drainage system prior to discharging.
- 9. That Licensee shall notify the District Engineer at least 48 hours before commencing discharge and at the conclusion of the discharge operation to arrange for necessary inspectional services at telephone number 831-6812.
- 10. The Licensee shall require this permit to be a part of the contract with the contractor.
