O'ahu Watersheds Map

This map illustrates the Waikaleo Watershed, a large area on the north shore of Oahu, Hawaii. The watershed boundary is clearly marked with a thick black line. Within this boundary, numerous streams are shown as blue lines, many of which are labeled with names such as Waikaleo, Kipapa, Poliwai Gl, Huliwai Gl, Ekahanui Gl, Manuwaiahu Gl, and Hoene. The map also shows the surrounding landscape, including the coastline, Pearl Harbor to the east, and various roads and infrastructure. A legend in the top right corner identifies the symbols for the watershed boundary and the streams. A scale bar in the bottom right corner indicates distances of 0, 1.25, 2.5, and 5 miles. A north arrow is also present in the bottom right corner.
